THIRD DIVISION SCENE

Though Swindon suffered a shock home defeat by Fourth Division Aldershot the Third Division is to the fore in the final stages of the Freight Rover Trophy with holders Bristol City contesting the Southern final with the Shots after their 2-0 win over Gillingham last week. Over 10,000 saw this game while over 11,000 saw Middlesbrough go down at home to Mansfield in the Northern semi-final just four days after the latter's win here. They now play either Wrexham or Chester in the Northern final.

Our draw at Darlington last week made our record there two wins, two draws and two defeats in six visits. The 'Quakers' have now drawn each of their last four home games.

Going well despite being knocked out of the F.A. Cup in a twice-replayed fifth round game with Watford Walsall have just won successive away games. At Brentford their 1-0 win revenged a recent Freight Rover Trophy defeat there with the gate for the league game being 3,442 almost exactly twice the 1,774 for the Freight Rover game. Then four days later they won 3-0 at Bristol Rovers' borrowed ground at Twerton Park, Bath. Oddly enough the scoreline was an exact replica of that for their only previous visit when in November 1953 they beat Bath City in the first round of the F.A. Cup.

We may seem to have drawn a lot of games this season, but Chester have drawn 16 of their 29 and Fulham and Mansfield 13 each.

Darlington share with Manchester City, Exeter and Torquay the doubtful distinction of being the only Football League sides without an away win this season.

Notts County's tally of 42 home goals is second only to the 44 of Northampton Town in the whole of the Football League.

Only Portsmouth and Wrexham in the whole of the Football League are still unbeaten at home.

Tonight's Mascot is ANTHONY BOWDEN aged 13 who has been brought to tonight's match by sponsors AB Services.

INTRODUCING BOLTON WANDERERS

BACK ROW (Left to Right): Mark Came, Mike Salmon, Kevin Mailey Simon Farnworth, Jimmy Phillips.
MIDDLE ROW (Left to Right): Steve Carroll (Youth Team Coach), Steve Thompson, Mark Winstanley, George Oghani, Steve Elliott, Dave Sutton, Warren Joyce, Paul Clarke, Colin Irwin (Coach), Peter Nightingale (Physiotherapist).
FRONT ROW (Left to Right): Paul Allen, Julian Darby, Mark Gavin, Phil Neal (Player/Manager), Derek Scott, Tony Caldwell, Asa Hartford.

SIMON FARNWORTH (Goalkeeper). The former England Schoolboy International is in his fourth season in the Bolton senior squad after graduating from the junior ranks. Made his debut in the League against Wimbledon in the first match of the 1983-84 season.

MIKE SALMON (Goalkeeper). In July Bolton paid Stockport County £18,000 for the former Blackburn Rovers goalkeeper, the fee being set by a transfer tribunal. The 6ft. 2ins. Leyland-born player made his League debut for the Wanderers against Swindon Town on the opening day of the season.

PHIL NEAL (Defender). A veteran of more than 700 senior games, the former England full-back picked up a record eighth League Championship medal in May, five months after leaving Liverpool where he spent 11 glorious years. Fifty International caps plus European Cup and League/Milk Cup winners medals make the Bolton player-manager, who began his career with Northampton Town, the most decorated player in the domestic game today.

JIMMY PHILLIPS (Defender). Another product of the Bolton youth academy, the local-born defender has made the majority of his appearances at left-back but has also played in the centre of defence and in midfield.

MARK CAME (Defender). Made an enormous leap from North West Counties League football to the professional

ranks when he joined Bolton from Winsford United in April, 1984. The solid central defender, who made his Wanderers League debut in September that same year, has been a regular in the first team squad ever since.

DAVE SUTTON (Defender). The tall, blond central defender joined Bolton from Huddersfield Town in the summer of 1985 for a £12,000 fee. He was a member of two promotion-winning teams at Leeds Road after moving from Plymouth where he started his career.

DEREK SCOTT (Defender). The most versatile player in the Bolton squad. The former England Schoolboy International, who hails from Gateshead, played in almost every position during his 11 seasons with Burnley, making his League debut in the First Division. Joined Bolton in June 1985 for a £20,000 fee. He is currently making his way back to action after a chest injury in the opening game of the season.

MARK WINSTANLEY (Defender). In his first season as a regular member of the Bolton senior squad, the young central defender made his League bow at Bournemouth in March last season.

JULIAN DARBY (Defender). Can play in defence or midfield, the Bolton-born youngster came onto the scene last season when he made his League debut against Blackpool in March.

ASA HARTFORD (Midfield). Capped 50 times by his country, the former Scottish Schoolboy International was considered in the "veteran" stages when he joined Bolton in the summer of 1985 from Norwich, for whom he scored the winning goal in the Milk Cup Final that year. But he proved his durability by ending the season as Bolton's only everpresent. Still a great influence in midfield, the former West Brom, Manchester City, Everton and Nottingham Forest star is the Bolton captain.

WARREN JOYCE (Midfield). The energetic, enthusiastic all-rounder is in his fifth season in the Bolton first team, after making his League debut at Carlisle in the Second Division in April, 1983. He won representative honours as a schoolboy at cricket and rugby before turning to a career in football. Missed last season's Freight Rover Trophy Final through injury.

STEVE THOMPSON (Midfield). A talented midfield player with a powerful shot, Steve is a penalty spot specialist. A Bolton regular for the past three seasons after graduating from the junior ranks of the Club.

MARK GAVIN (Midfield). Phil Neal's first transfer "buy" in April, 1986. Wanderers paid Carlisle United a small fee for the speedy former Leeds United winger, who is at home on either flank.

STEVE ELLIOTT (Striker). Bolton paid Walsall £25,000 for the former Nottingham Forest apprentice who has had spells with Preston North End and Luton Town. Came to prominence at Deepdale after a £95,000 transfer. Scores goals himself but is also regarded as a provider for his attacking colleagues. Steve made his Bolton League debut against Swindon on the opening day of the season.

TONY CALDWELL (Striker). It's been goals galore for the Salford-born striker since he made a sensational switch from non-League football in 1983 when he joined Bolton from local club Horwich RMI. He was a part-time professional when he set a club and Third Division record with five goals in a game against Walsall in September 1983 and has been Bolton's top scorer three seasons in a row.

GEORGE OGHANI (Striker). Another capture from non-League football, George joined Bolton from Hyde United in October, 1983. Loves to score goals and a sparkling spell towards the end of last season helped Wanderers along the way to their Freight Rover Trophy Final appearance at Wembley. Made his League debut at Wimbledon in January, 1984.

BLACKPOOL AND FYLDE SUNDAY ALLIANCE

AMATEUR SCENE

Striving for a place in the Gledhill Final and in their own Divisional Cup Final are Dayton House F.C. Sponsors Don and Jean Eastham are delighted with the teams progress in the Cup competitions along with their possible return to the Premier Division with promotion a real possibility.

The team has a strong Post Office connection with player manager and ex-Pool player Keith Bowey among them also coach Ken Bowden. The team train every Thursday under the watchful eye of their ex-goalkeeper Roger Thompson whose successor for a number of seasons now is Billy Scott-Rattray. Signings this season include full backs Paul White from Kingsfield and another ex-Pool player now with Fleetwood, Lozz Milligan. After a spell in Saudi Arabia winger Peter Hawkes is also back with the club.

A strong defence is marshalled by sweeper Paul Arnold who along with long serving Kenny Nay shares the responsibility of captaining the team. Full back Steve Bullen, along with central defenders Darren Beamon and Cliff Nay complete the defensive line up. The leading scorer is left winger Peter Capper in a forward line which has another scoring winger Kenny McCallum operating down the right. Leading the line is David Prout whose brother Martin is a key midfielder in the line up. The squad is completed with midfielders Dave Lancaster and

Wayne Burton. Dave Stokes the secretary is very appreciative of the help given by his fellow committee men including Gordon Scott-Rattray and past secretary and groundsman Gordon Winters. Standing in the way of two final appearances are Ashley Cons and Stanley Arms from Wesham.

Congratulations to local referee Barry Oldham on his appointment to the L.F.A. Under-18 Inter League final at Leyland Motors F.C. Barry himself played at the same venue in the final of the same competition for the Sunday League when a teenager. His official linesmen for the final are also local, John Hoggatt and Ian McNaughton.

The Under-14 Inter League Trophy was retained with a 2-0 victory over Central Lancs. in a very enjoyable game at Fleetwood Town. It was a good all round team performance capped by an outstanding game by skipper Paul Pemberton.

The Combination's Compere Cup is at the semi-final stage with past winners Star Hotel and Broadway drawn together. However in the other game Layton Institute Reserve side meet Boston Hotel who were beaten finalists of two seasons ago. The club this season have signed ex-Blackpool player Brian Wilson who more recently was at Torquay United. He lines up with another ex-Pool player, Kevin Moore.

SEASIDERS SCRAP BOOK

VON PAPEN CAPTURED AS WORRALL CAPTURES GLORY FOR BLACKPOOL

April 14th, 1945, saw more world catching headlines on and off the football field, with the main news of the weekend being dominated by the announcement that Von Papen had been captured by American troops in the Ruhr pocket. Von Papen was the German Ambassador to Turkey until relations had been cut in 1944, he later moved to Spain and was once the Chancellor of the German Reich and paved the way for Hitler's rise. He was notorious as an intriguer, scheming to make fruitful most of the events in Germany's history over the 25 years leading up to the war. The Allies captured him in the last war also and remained in an Allied prison camp for most of that war. This latest capture was an important one as Von Papen was the key figure in the German plan to penetrate foreign countries with phoney money, skilled technicians and was an active propagandist.

So much for the world news, what about football, well, 14th April, 1944, saw Blackpool entertain Bolton Wanderers in the second round, second leg of the League North Cup at Burnden Park. 15,000 people turned up to see a goalless first half, but the second period caught the excitement of the crowd as Lofthouse scored for Wanderers and Worrall scored twice for the Seasiders in a 2-1 Blackpool win, unfortunately, Blackpool failed to reach the next stage as Bolton went through to play Newcastle United in the third round, going through on aggregate of 5-3, winning the first leg 4-1. Bolton went on to become the eventual winners of the League North Cup that season, beating Manchester United in the final 3-2 on aggregate, winning the first leg 1-0, and drawing the return match 2-2, crowds of 40,000 and 57,395 watched the two matches.

The other finalists Manchester United travelled to play Stoke City in their second leg match, in their 4-1 win, 5,000 saw an own goal by Whalley and goals from McCulloch, Bryant (2) and Brigham got an own goal, United won the match by an aggregate scoreline of 10-2, winning 6-1 at Manchester.

Elsewhere in the cup matches that day, Newcastle United went through to play Bolton in the next round by completing their victory on aggregate over Bradford City, winning the match at Valley Parade 1-0, 10,000 saw Hair score the goal. Liverpool also succeeded in progressing into the next round when they beat Manchester City at Maine Road 3-1, Taylor and Welsh (2) got the goals for the Reds while Herd scored for City, 24,905 watched that match. Only two matches had to go into extra-time, the match at Cardiff between City and Bristol City where 25,000 saw an exciting 2-2 draw, and Wolves, who went on to play Cardiff in the third round, were being held at home 0-0 by Birmingham City in the all Midlands derby match, Wolves going through during the extra period through a Morris goal.

In the League Championship North, Accrington Stanley beat Burnley 4-0 in front of 2,500, Mercer scored two of the goals, and Aston Villa ran riot at home to Leicester, winning 7-2, Houghton scored a hat-trick, which included two penalties. Blackburn Rovers had a crowd of 2,000 to see them beat Bury 4-2, McShane scored twice, but Southport fared badly on their visit to play Chester. 1,000 people saw the home side

romp into a 3-1 interval lead, and to score further goals during the second half to win by 5-3, Yates scored four of the Chester goals in what was a poor attendance. Preston were being held 0-0 at Crewe when the referee blew for half-time, but a second half saw Strachan (2) and Wharton score goals to give the visitors a 3-0 win, 2,500 saw that match.

Everton too, had a good afternoon, they entertained Wrexham and went into a swift 4-0 interval lead, but nearly lost control during a second period which saw Wrexham nearly pull level, only to go down 5-3, Wyles scored a hat-trick for Everton. In the north east derby-match, Gateshead were entertaining near neighbours Darlington at Redheugh Park, and were winning 2-1 at half-time only to lose 4-3, Inglis scored all four Darlington goals, one from the penalty spot. It was mixed fortunes for the north east based clubs, Sunderland found themselves travelling to York City in a tough match, finding themselves 3-0 behind at half-time, eventually losing 4-2, despite courageous attempts to bring themselves back into the match, 4,000 saw a Middlesbrough victory though, when their visitors Bradford fell to a single second half goal by Stobbart. But poor Hartlepool, they had an away match at Leeds Road, Huddersfield, a crowd of 2,210 turned out to see an exciting match which saw Hartlepool on the wrong end of a 6-3 score line, they were 4-1 down at half-time!

Leeds United cracked in six goals at home against Hull City, only two thousand saw the match though. In the Humber-side derby, Grimsby was still a Yorkshire town then! Grimsby entertained Lincoln City, 4,000 saw Lincoln take a 2-1 interval lead only to lose the advantage during the second period when they went down 4-2. Like Aston Villa, Sheffield Wednesday scored seven goals that afternoon. 4,000 saw Halifax Town as visitors to the Owls, where Turton, Lindsay (3), Tomlinson (2) and Rogers scored to give the home side a 7-0 win.

Only the one match in the League West Cup, that was between Swansea and Plymouth Argyle, where 5,000 saw the Swans win by the odd goal in five. And how about Bath City, yes, they were playing League soccer during the war years, and in the North Championship too! that afternoon they entertained Lovell's Athletic, 2,500 turned out to see Bath take a 3-0 interval lead, and then finish the job during the second period to win by 4-2, T. Sibley, Harrison and Sloan (2) were the scorers for Bath and Harwicke scored both the Lovell goals.

In the League South Cup competition, Charlton proved to be the highest scorers when they beat visitors Arsenal 5-0 in front of 12,000, Green scored his hat-trick, but a variety of teams managed to score four goals. Southampton scored four at home in their match against Brentford, winning 4-2, Bradley scored three of them. Tottenham also scored four in a 4-0 win at home over Millwall, 13,597 saw that match. West Ham scored three against Fulham in their 3-2 home win.

It was International day too, with Scotland playing England at Hampden Park. 133,000 people paid £25,000 to see an England side romp to a 6-1 win. Carter, Lawton (2), A. Brown, L. Smith (penalty) with Matthews adding a sixth scoring the goals. Johnstone scored for Scotland, as the Scots had once again to bow to the supremacy of English wartime football. The teams being:

SCOTLAND: R. Brown (Queens Park), Harley (Liverpool), Stephen (Bradford), Busby (Liverpool), J. Harris (Wolves), MacCauley (West Ham), Waddell (Rangers), Bogan (Hibs), J. Harris (Queens Park), Black (Hearts), Kelly (Morton).

ENGLAND: Swift (Manchester City), Scott (Arsenal), Harwicke (Middlesbrough), Soo (Stoke City), Franklin (Stoke City), Mercer (Everton), Matthews (Stoke City), Carter (Sunderland), Lawton (Everton), Brown (Charlton), Smith (Brentford).

This was far and away Scotland's heaviest defeat on their Hampden Park ground, and it was an English achievement which had yet to be surpassed in positive terms on the football field. This match was the end of England's remarkable run of seven successive victories, in which the fluent and free-scoring forwards had found the net on 36 occasions.
